

I believe in the practice and philosophy of what
we have agreed to call magic, in what I must
call the evocation of spirits, ... and I
believe...that the borders of our mind are ever
shifting, and that many minds can flow into one
another, as it were, and create or reveal a single
mind, a single energy...and that our memories
are part of one great memory, the memory of
Nature herself.

W.B. Yeats
from
Ideas of Good and Evil
